23-Apr	John Powel
24-Apr	Pat Spindlow

March BBQ.

This month's BBQ was another social success

, with members having a work break after working removing the old fence.

Lucy Wicks Visit

Lucy Wicks, Liberal member for Robertson visited our shed, where she was shown some of the community activities members were involved in. Through the course of her visited she appeared impressed by the support in communication and comradely that existed within the membership. At the end of her visit, Lucy was presented with a painted saw, as token and reminder of the varied skills that exist in our shed.

Shark Competition - Central Coast Marine Park.

Our entry in the Shark competition is pictured

[Type text]

below as displayed at the Central Coast Marine Park. The artist and member of the Umina Beach Men's Shed, Fred Deluca, stands proudly by his creation. It is still on display if you want to take a look.

Work on the new fence

We have now removed the old fence and next week we should see the work begin on installing the new boundary fence, allowing access to the community garden..

Upgrading our computer room.

We continue to improve computer services, with new technologies ,improving communications such as our website, newsletters and membership databases..
