Whats New at the Men's Shed

A new Garden Shed and Paving

This community garden which has been upgraded by the Men's Shed over the past few months with new paving and a garden shed, this will nearly complete this area for use in growing herbs, flowers, vegetables and fruit.

We will be offering:

1. Demonstrations of innovative and practical ways to reuse pre-loved materials:
2. To allow Sheddors to gain hands-on gardening experience in growing fresh, organic food
3. Is a great place to meet other people and get involved in the activities of your local area.
